Missed Class/Rehearsal Make-Up Assignment

Students that miss class (either excused, building pass, etc) must complete a make-up assignment for that day. Unexcused absences can not be made up. Multiple absences require multiple assignments. This assignment will be posted at the beginning of the year. Students are responsible for keeping track of absences and doing the appropriate make-up work. Students will not be reminded by the teacher that they need to complete an assignment. This is not busy work...the quality of the work by the student must be substantial enough to equal a missed class period.

Assignments must be completed within one week of returning to class to receive credit.

Assignment for a missed class period: Complete a minimum of 15 minutes of continuous individual focused practice on the instrument/voice you play/sing during the class missed.

Assignment for a missed after school rehearsal: Complete a minimum of 45 minutes of continuous individual focused practice on the instrument/voice you play/sing during the class missed. This time may be used to learn new drill, choreography, or concepts with a member of the Leadership Team for marching band members.
